

## INTRODUCTION

Established in 2022 by Alexander Mackh and Mariia Mackh, Amelie Group AG caters to wine enthusiasts and industry professionals. Alexander's expertise in glass design gave rise to Amelie Glasses, a distinctive range. Mariia's proficiency in communication with diverse manufacturers has expanded the portfolio beyond glasses to include accessories that enhance the enjoyment of wine. This unique blend of passion and innovation offers a sophisticated experience for both connoisseurs and professionals in wineries and restaurants.

Amelie Group AG, the creator of Amelie products and holding company for Amelie Switzerland, focuses on distributing a curated selection of wines exclusively within Switzerland. While renowned for its innovative glassware and accessories, the company plays a pivotal role in delivering exceptional wines to discerning establishments across the Swiss culinary landscape.

As Amelie embarks on a global expansion, its unwavering mission is to elevate wine culture through carefully curated selections, inviting individuals worldwide to indulge in the exquisite craftsmanship and passion embodied in every facet of the Amelie experience.

## AMELIE

With the Amelie wine glass series, unveiled to the public in 2022, Alexander Mackh created a compact and functional collection to encompass all styles. The series is comprised of three classic variations and a stemless design. The shape allows for the optimal accentuation of the entire flavour spectrum of a wine in each glass bowl. The series' versatility and uniqueness has found success amongst wine enthusiasts and casual tasters alike.

## FRESH

AMELIE

The Fresh glass has been intricately designed to elevate the profiles of acidity-driven wines. Its distinct shape enhances the crisp notes intrinsic to wines like Riesling or classic Champagne blends. Rather than merely presenting these wines, the Fresh glass accentuates their enduring finish, making every sip resonate with prolonged clarity and zest. For those with an affinity for wines bursting with invigorating freshness, the Fresh glass offers an unparalleled tasting experience.

## ELEGANCE

AMELIE

The Elegance glass stands out in its design and functionality. Crafted as an all-round wine glass, it's suited for both full-bodied white wines like Chardonnay from Meursault and reds like Pinot Noir from Chambolle Musigny. The design ensures that wines breathe adequately, revealing their true character. With the Elegance glass, each sip is an exploration of the wine's depth and essence. It's a versatile choice for those who appreciate the subtleties in wine.

## INTENSE

AMELIE

The Intense glass is masterfully designed to complement the richness of full-bodied wines. Its architecture is tailored to amplify the intricate flavors of wines that are robust and well-extracted, such as the esteemed Pomerol from Bordeaux. This glass ensures that the wine's depth, from its distinct tannins to the whispers of the terroir, is beautifully showcased. For those who cherish wines with profound character and complexity, the Intense glass promises a refined and captivating tasting journey.

## SIMPLE

AMELIE

The Simple glass is a testament to minimalism and functionality. Distinctly stemless, its design speaks to modern wine drinkers who value both aesthetics and practicality. While it's an all-round wine glass like the Elegance, the Simple glass is particularly adept at highlighting the crisp notes of leaner wines. With the Simple glass, wine enthusiasts can experience the purity and subtlety of their favorite vintages without distraction.
